Your life
assessment

How did you experience the workshop ?

It was very nice
to collaborate with other
people to build our
ideal society.

What worked well ?

We tried our best
to collaborate to find
the best solutions and
~~other~~ alternatives

Even though there was
a small argument we
didn't cross the line.

assessment

How did you experience the workshop?

- It was interesting. Lots of different opinions, and discussions about what makes a good society. Especially when the topic of governments.

What worked well ?

I think the first part was good but the game is very opinion-oriented. I really like the outcome of this game.

Would you do it again differently ?

Make it more visual. There are a lot of boxes and its hard to remember what is what.

How did you experience the workshop?

What worked well?

Would you do it again differently?

It was really good.
We learned abt about
each other and became
closer. The game made
us realize our govern-
ment and the problems
in our society.

Collaboration and
discussions went
well and learning
about our friends

I would like to

assessment

How did you experience the workshop?

It was really fun! We were able to be really creative and we had a great communication and collaboration.

What worked well ?

The communication and collaboration was good and we were respectful (listening to each other,...).
Then.

Would you do it again differently ?

The explanation were fine; maybe we would have got more information etc... if we were actually together.
